## Statement from the Minister

The Honourable Kevin Doherty Minister of Finance

I am pleased to present the Ministry of Finance Plan for 2016-17.

Government Direction and Budget for 2016-17 invests in people and infrastructure to *Keep Saskatchewan Strong*, and initiates a government wide exercise of transformational change to ensure the sustainability of high quality public services delivered in the most effective and efficient way possible.

I accept responsibility for ensuring that the Ministry is managed with integrity and professionalism and supports Government's commitments.

We will report on the progress made on this Plan in the Ministry's 2016-17 Annual Report.

The Honourable Kevin Doherty Minister of Finance

## Response to Government Direction

The Government of Saskatchewan is committed to building on Saskatchewan's foundational strengths, investing in needed infrastructure and in vital programs and services for the people of our province. The Government has made a simple yet significant commitment – to Keep Saskatchewan Strong. This year marks the beginning of a government-wide exercise of transformational change to ensure the sustainability of high quality public services delivered in the most effective, efficient way possible.

This focus will advance Government toward the realization of Saskatchewan's Vision and goals.

Saskatchewan's Vision and goals provide the framework for ministries, agencies and third parties to align their programs and services and meet the needs of Saskatchewan's residents.

All ministries and agencies will report on progress in their 2016-17 annual reports.

## Operational Plan

## **Mandate Statement**

The Ministry is responsible for oversight of government revenue, expenditures and assets. Finance is the lead ministry for fiscal policy; budget development and integrity; managing provincial debt; designing and administering fair, efficient, and competitive tax regimes; pension and benefit administration; labour relations advice to government; ensuring accountability to both the public and the Legislative Assembly for the use of public funds; and ensuring effective financial management and accounting policies and procedures.

## Mission Statement

The Ministry of Finance supports excellence in governance and public administration through economic, financial and fiscal expertise, leadership and services.

### **Government Goals**

Sustaining growth and opportunities for Saskatchewan people

Meeting the challenges of growth

Delivering responsive and responsible government

Strategic priorities from the Saskatchewan Plan for Growth: investing in infrastructure and planning for growth; tax competitiveness; and building a competitive business environment.

## **Ministry Goal**

Support government decision making with expertise and leadership

#### **Key Actions**

- ⇒ Continue to lead, co-ordinate and support the change in focus to summary budgeting and reporting including any changes required to planning, budgeting and reporting processes.
- ⇒ Lead, coordinate and support the continued transformation and implementation of the Planning and Accountability Management System and program review across government.
- ⇒ Work with ministries and agencies to develop and analyze budget options that align with Government's priorities.
- ⇒ Work with SaskBuilds, ministries and others on innovative financing, design and delivery of the Saskatchewan Builds Capital Plan.
- Provide guidance and advice to promote the use of a market-based compensation approach to ensure timely settlement of competitive collective agreements within the parameters established by Cabinet.
- ⇒ Continue the review of internal audit across government, make recommendations regarding the function of internal audit and begin implementation if change is required based on the approved recommendations.
- ⇒ Work with ministries and the federal government to develop fair and effective federal/provincial agreements that address common interests.
- ⇒ Participate in ongoing discussions with federal, provincial and territorial governments on issues related to the major intergovernmental fiscal arrangements, including transfers in support of health care, post-secondary education and social programs.
- Review provincial tax policies to ensure they align with the priorities and actions set out in the Saskatchewan Plan for Growth and that specific policies and actions are affordable.
- Review and examine the Provincial Sales Tax base to determine if there are modernization options that consider changing consumer buying opportunities.
