## **Introduction**

The 2010-11 Supplementary Estimates – March represent funding provided by special warrants that were issued subsequent to the passage of the Appropriation Bill pertaining to the 2010-11 Supplementary Estimates – November presented to the Legislative Assembly in the Fall Session.

In accordance with Section 14(3) of *The Financial Administration Act, 1993*, the amounts appropriated by special warrant “shall be submitted to the Legislative Assembly as part of the next *Appropriation Act* that is not an Act for interim supply”. The amounts identified in the 2010-11 Supplementary Estimates – March submitted to the Legislative Assembly will be included in the main 2011-12 *Appropriation Act* in accordance with *The Financial Administration Act, 1993*.

The 2010-11 Supplementary Estimates – March follows the similar Vote (ministry or Crown organization), subvote (major program area) and allocation (component of a subvote) as the 2010-11 Estimates.

The subvote descriptions provided in the 2010-11 Estimates apply to the 2010-11 Supplementary Estimates – March. Subvote descriptions may be expanded by the explanation for the additional funding provided by the Supplementary Estimates.
